## Intermediate A Division

Round of 16

**VENUE: Hillcrest Christian College**

*Due to the size and highly competitive nature of this year's Intermediate A Division, an additional preliminary Round 5 was held, after which -*

- All teams on 4+ wins have qualified for the Round of 16.*
- All teams on 3 wins were placed in a wildcard pool, then drawn at random until the draw was filled.*

*The wildcard teams that have been selected will compete in the Round of 16 per the draw below, except only in the unlikely event that any 4+ win teams are found to have been left off the draw in error. Every effort has been made to ensure the integrity of our results collection and collation process, so we do not expect this situation to arise. Nevertheless, wildcard teams should consider their placement on the draw as subject to no such errors coming to light - much like a reserve team, except that you will compete unless told otherwise.*
